Campsite Request Policy

Camp Alexander receives a high volume of reservations for summer camp each year. To ensure we serve the maximum number of Scouts, we have put the following policies in place:

- Your unit may be required to move campsites based on the number of scouts you bring.
- All youth must sleep in Camp Alexander supplied tents. Your unit may be asked to bring personal tents for some or all adults to accommodate more Scouts in camp.
- Your unit may be asked to share a campsite with another Troop based on your registration numbers.
- To secure your first choice of campsite, we recommend that you bring as close to (but not over) the maximum number of scouts listed for that campsite.
